This application can be used by existing QBANK members to open a Term Deposit. If you are not already a QBANK member, a membership application pack is available from QBANK and on our website at qbank.com.au.

A notice period of up to 31 days applies if you need to access your term deposit before the maturity date. QBANK may require the full notice period, but not beyond the maturity date. If you think you may need to access your term deposit before the maturity date, then QBANK has other products which may be more suitable. If you elect to reinvest your term deposit into a new term deposit at maturity, the new term deposit may have a lower interest rate.
